From the Heart
The Kitchen Issue

Issue #32.

A Fashion Designer's Tailored Home
A Home Formed on Friendship
Step Inside 10 Statement Kitchens

FROM THE HEART

We step inside 10 unique kitchens, each inhabiting a style of its own; from dramatic and daring material combinations to minimal and monochromatic. Regardless of whether you're working within 60sqm or 600sqm, functionality is a given – but exploring creativity with design, is what really brings a kitchen to life.
